SUMMARY

Computer Science Engineering student with a strong foundation in DSA, OOP, and software development. Experienced in building full-stack applications, integrating databases and APIs, and developing security-focused solutions. Solved 240+ LeetCode problems, with an interest in designing scalable and reliable software systems.

TECHNICAL SKILLS

Programming: Java, Python, C++, JavaScript, C, HTML. CSS

Computer Science: Data Structures & Algorithms, Object-Oriented Programming (OOP), DBMS, Computer Networks, Operating Systems

Web / Backend: React.js, Node.js, Express.js, Flask, Django, REST APIs

Databases: MySQL, MongoDB, SQLite, Supabase, PostgreSQL (Neon)

Tools: Git, GitHub, Postman, VS Code

PROJECTS

TrustWipe – Secure Data Sanitization & Verification Platform

• Developed a MERN-based platform for secure data-sanitization workflows, featuring SHA-256 evidence hashing and RSA-based digital certificate signing.

• Implemented QR-based certificate verification and Socket.IO for real-time monitoring and transparent sanitization tracking.

GitHub: github.com/MeenaTharshini/Trust_Wipe *Link: https://trust-wipe-tau.vercel.app/*

DhanvantriBot – AI Health and Wellness Companion

• Built a Flask-based AI health assistant combining rule-based symptom analysis with Groq LLaMA-powered conversational responses.

• Implemented symptom severity detection, emergency flagging, contextual health guidance, and SQLite-based conversation persistence.

GitHub: github.com/MeenaTharshini/Dhanvantri-MedicalBot

EVOLV – Gamified Python Learning Platform

• Developed a gamified Python learning platform featuring 60 structured topics, progressive learning paths, and interactive learning stages.

• Integrated Supabase for authentication and data management, with XP, hearts, streaks, quizzes, and learner progress tracking.

GitHub: https://github.com/MeenaTharshini/Evolv_X *Link: https://evolv-x-three.vercel.app/*

LifeLink – Blood Network System

• Built a full-stack blood donor management platform that connects blood seekers with compatible donors based on blood group and location.

• Implemented user authentication, donor discovery, blood-request management, and real-time database integration using React, Express, and Supabase.

GitHub: github.com/MeenaTharshini/Life-Link *Link: https://life-link-blood-finder-network.onrender.com/*

INTERNSHIP EXPERIENCE

Virtual Intern | Infosys Springboard | Oct 2026 – Present

• Developing EventSphere, a full-stack event management application with authentication, role-based access, and event/venue CRUD operations.

• Building backend APIs and database-driven functionality using React.js, Node.js, and Express.js.

Full Stack Development Intern | Thiranex | Jun 2026 – Jul 2026

• Developed three full-stack applications involving e-commerce, task management, and blogging, implementing authentication, REST APIs, and database integration.

Web Developer (Full Stack) Intern | Advorix Technologies | Feb 2026 – Mar 2026

• Developed a Student Management System and Job Portal using the MERN stack, implementing REST APIs and CRUD operations. Recognized as Best Performer Intern.

Full Stack Development Intern | CodeAlpha | Jan 2026 – Feb 2026

• Developed e-commerce and social media applications using Python, Django, and SQLite.

EDUCATION

B.E. Computer Science Engineering — V.S.B Engineering College, Karur | 2024–2028

CGPA: 9.15 | HSC: 92% | SSLC (CBSE): 97%

ACHIEVEMENTS

- Solved 240+ LeetCode DSA problems with a 71% acceptance rate.
- Recognized as Best Performer Intern at Advorix Technologies.
- Led Team SMIS to the final round of Deepsprint Innovest 3.0 Hackathon.
- Reached the final round of HackWithAmypo as Team Leader of SMIS.
- Secured Top 10 position at CodeSprint Hackathon.

CERTIFICATIONS

- NPTEL – Programming in Java (95%).
- NPTEL – Cyber Security and Privacy (79%)
- Infosys Springboard – Python Foundation, Java Foundation, and Microsoft Azure Cloud Computing.
- IBM – AI Fundamentals.
- NASSCOM – Introduction to IoT & Digital Transformation (Gold).
- TCS iON – Master Database Management for Beginners.
